Planting Solar: Agriculture in the Valley of the Sun is a fascinating documentary that highlights the incredible work of Maya's Farm and its visionary owner, Maya Dailey, and introduces viewers to the transformative power of sustainable agriculture.

Join us on this inspiring journey as we explore the challenges and triumphs of sustainable farming in Phoenix. Watch as Maya's Farm uses the sun's energy to grow organic produce while fostering conservation and community resilience.

With insightful interviews and beautiful cinematography, this documentary explores the connection between renewable energy and agriculture. Learn why sustainable farming is the future of our food system.

Join us in celebrating the power of sustainable farming and the impact we can make when we prioritize our environment and community. Take advantage of this incredible documentary that inspires and motivates you to embrace sustainable practices.

Subscribe to our YouTube channel for more engaging content, and stay tuned for updates on future projects and initiatives to create a more sustainable world.
