Pilot Project in the Padre Cruz Neighborhood

News

June 7, 2024

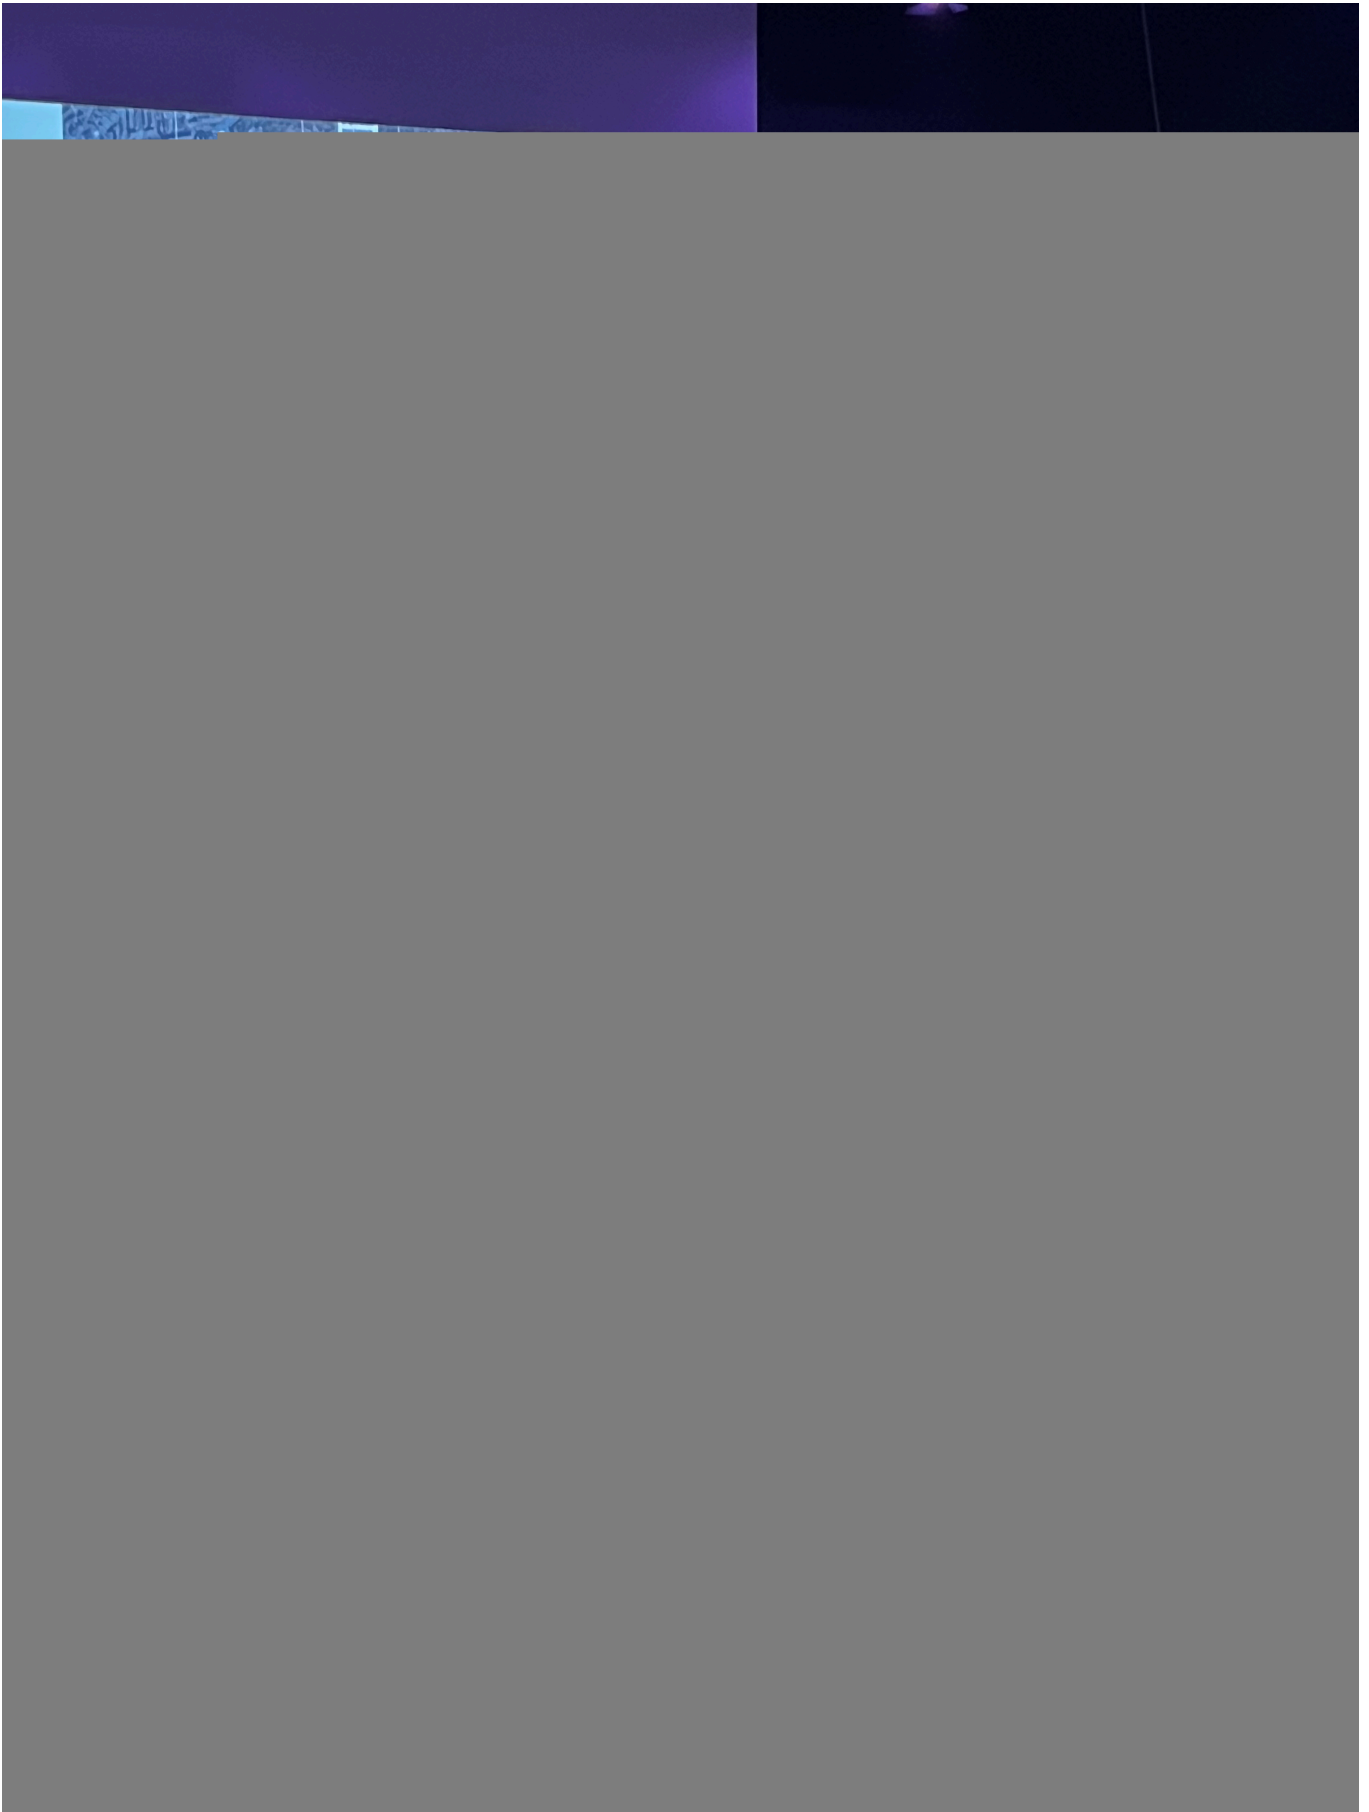

This morning, we presented the project to renovate some roads and public spaces in the Padre Cruz neighborhood, carried out as part of the program to Promote Women's Safety in Public Spaces and Access to Public Transport.

This project was the first result of the work carried out between TC99% and Lisbon City

Council as part of this program and after a long survey of the needs and deficiencies expressed by people, particularly women, in the neighborhood.

The work will begin at the end of this month.
