Las Moreras Orchard (Miraflores Park)

Antigua Ctra. de Miraflores, s/n, 41008, Sevilla, Sevilla, España,

Introduction

The Pro-Parque Educativo Miraflores Committee was created in 1983 to build a green space on an old waste dump. The Huerta Las Moreras (1991) is a pioneering project in Spain and has 175 plots of 75-150 m². In 1996, the UN recognised this experience at the HABITAT II conference, held in Istanbul in 1996. In 2012 we received the Medal of the City of Seville and in 2013 the XVIII "Andalucía de Medio Ambiente" Award, in the category of "Best Environmental Education Project".
