

# Tirana: Urban gardening for a greener city

[Rashela Shehu](#)

08/16/2023

No less than 1.8 million square meters (19.3 million square feet) of new buildings were erected in Tirana in 2022 — a record for the Albanian capital. As a result, the need for green areas in Tirana is on the rise. At Tulla Urban Farming, people learn how to grow plants on terraces, balconies and in yards.
