 We just happened to be visiting the area during their grand opening weekend. It's a beautiful park with gorgeous decorations. It's very close to the castle, which gives visitors more to see in the area. There's a lot of pretty areas, a very Instagram-able park. The drinks, food, and gelato were good. We especially loved the beautiful carousel at night and the amazing outdoor movie space.

 Unexpectedly and fantastically spectacular park - landscaping to die for, with free entry and free parking.  
 Stunning.

 It's a very nice, romantic place, it's interesting to visit here with our partner. There are medium prices. We were in early autumn and luckily the hosts were so considerate that they laid out warm blankets Overall, a good place.

 Beautiful and wonderfully beautiful park. It's almost unbelievable how impressive it is. It is very organized and has many walkways. It is also surrounded by small streams.
